700,000  
in Europe

Ostomy devices save and improve lives, but living with an ostomy can be a challenge. Choosing the right accessories can improve an ostomate's experience.

#### Challenges of living with ostomy:

SENSITIVE  
PERISTOMAL SKIN

PAIN

LEAKAGE

ODOR

DEVICE  
SECUREMENT

#### Accessories make managing ostomy easier:

##### Stoma Paste

Conforms to skin contours to create a **protective barrier** from leaks.

##### Seals

Moldable rings absorb and **protect** peristomal skin from leakage.

##### Deodorants

Help **eliminate odor** in and around the ostomy device.

##### Flange Extenders

Conformable extenders provide **extra security** for **extended wear time**.

Find the right ostomy supplies for your lifestyle.
